Agenda of the special general meeting with proposed resolutions

1 Authorisation of the supervisory board to acquire the company's shares or profit shares

Explanatory note of the supervisory board:

In light of the rejection of the authorisation of the supervisory board to acquire the company's shares or profit shares at the extraordinary general meeting of 20 February 2020, the supervisory board wishes to clarify its motives for resubmitting this request to its shareholders:

- the authorisation mentioned in this agenda point will **not** be used by the supervisory board **as an anti-takeover defence**;

- the supervisory board wishes to continue to use this authorisation for other purposes, such as, amongst others, returning surplus capital to our shareholders, increasing earnings per share or providing shares for equity compensations plans;
- the supervisory board believes that its practice of doing share buybacks has created long term value for all stakeholders. If this authorisation is not renewed, the supervisory board will no longer be able to engage in share buybacks as a form of affirmative action; and
- in order to address any concerns regarding the amount of shares that can be acquired pursuant to this authorisation, the **threshold has been lowered from 20% to 10%** of existing shares or profit shares.

Proposed decision:

The general meeting resolves to grant the authorisation to the supervisory board to acquire a maximum of 10% of the existing shares or profit shares during a period of five years as from the publication of this decision in the Annexes to the Belgian Official Gazette, at a price per share not exceeding the maximum price allowed under applicable law and not to be less than EUR 0.01.
